Personal Statement

- I am keen to take up any opportunities to increase my experience and extend my knowledge base by working along side experienced industry professionals. I am always looking for new innovative experiences to broaden my skills base and networks.
- I am trustworthy and committed. I thrive in a fast-paced demanding environment, enjoy meeting new people, experiencing new situations, and rising to new challenges.
- I get a huge buzz for experimenting with looks whether it be a working a specific concept, themes or free reign, I adore being creative and developing something special that makes a statement as well as being beautiful, finding inspiration from everything around me. I am very capable of working alone and also love being part of a team.
